

AVIATION STATE ENGAGEMENT FORUM (formerly RAPAC)

VIC AvSEF

PAPER FOR DISTRIBUTION

OUT OF SESSION

DATE: 31 August 2020

TITLE	RETIREMENT OF VIC INDUSTRY CONVENOR
SUBMITTED BY	Convenor
PURPOSE	Canvass volunteer/s to assume industry convenor role, Victoria
KEY ISSUES	Due to several health issues requiring surgery and recuperation in 2020, plus home relocation commitment in late 2020, convenor desires to retire early.
ATTACHMENTS	Nil

The convenor position usually vacates at the first meeting each year however personal commitments and a gap in computer capabilities during the period Sept 20 to Mar 21 will detract from the current convenor's ability to perform the role.

The vacancy would have been actioned at the November industry face to face meeting, however, the COVID controls in Victoria makes that meeting unlikely.

Expressions of interest are sought for the convenor vacancy, for a transition date of 1 October 2020.

Due to COVID the AVSEF situation is quiet and there are no current matters outstanding for Vic AVSEF. The current convenor will, where possible, provide support on demand to the incumbent.

The convenor should be contacted direct for any queries about the role.

The convenor has asked the AvSEF (formerly RAPAC) Secretariat to manage the process. Expressions of interest should be provided to Kirstie.Winter@casa.gov.au who will also manage an election if necessary.
